**DUTIES OF STATE HIGHWAY PATROL.** The state highway patrol shall: (a) Enforce the laws and the rules and regulations of the state governing the use of the state highways. (b) Regulate traffic on all highways and roads of the state. (c) Respond to the call of the governor for emergency or other purposes at his discretion and respond to the call of the liquor control commission in an emergency to enforce the liquor laws of this state.

**VESTED WITH POWERS OF PEACE OFFICERS.** The commissioner of public safety and each member of the state highway patrol is vested with the powers of peace officers throughout the several counties of the state with the exception of the power to serve civil process. They may serve criminal process and arrest and

prosecute violators of any law of this state and shall have the same right as other peace officers to require aid in executing their duties. The powers and duties hereby conferred upon the commissioner of public safety and members of the highway patrol shall be supplementary to and in no way a limitation on the powers and duties of other peace officers in the state.

**CO-OPERATION WITH OTHER OFFICERS.** The state highway patrol shall co-operate and exchange information with any other departments of the state or with other police forces, both within and outside this state, and with federal police forces, to secure information in order to achieve greater success in prevention and detection of crime and apprehension of criminals.
